(604) 872-0075

info@mitchandmurrayproductions.com

Aaron Craven's workshop blends improvisation, scripted on-camera work, and exploration of the differences between stage and screen acting.

“

This type of instruction and support by a professional creative is so rare in our communities.

”

Koryn Heisler

Founder, This World's Ours Centre

***Participants must be capable of working independently
in a 3:1 student to staff ratio***
